TRACES OF

WE DEDICATE THIS YEARBOOK TO THE L.H.S. SENIORS OF 1972,
WITH THE FOLLOWING ADVICE...

Go placidly amidst grief, & remember that peace there must be in silence.
As far as possible, be friendly to all persons with all persons. Speak your
truth quietly & clearly; and listen to others, even the dull & ignorant, are they too, in
their story. And loud & aggressive arguments are vexations to the spirit. If you
cannot be of use with others, you may be vain & bitter; for always there will be
greater & less persons than yourself. Enjoy your achievements as well as your
*Keep interested in your own career, but never humble; it is a real possession in the
changing fortunes of time. Exercise caution in your business affairs; for the world
full of trickery. But let this not blind you to what virtue there is; many persons still
for high ideals; and everywhere life is full of heroism. *Be yourself. Especially,
not feign affection. Neither be cynical about love; for in the face of all aridity & dis-
enchantment it is perennial as the grass. *Take kindly the counsel of the years,
gracefully surrendering the things of youth. Nurture strength of spirit to shield you in
sudden misfortune. But do not distress yourself with imaginings. Many fears are born of
fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. *You
are a child of the universe, no less than the trees & the stars; you have a right to be
here. And whether or not it is clear to you, no doubt the universe is unfolding as it
should. *Therefore be at peace with God, whatever you conceive Him to be, and
whatever your labors & aspirations, in the noisy confusion of life keep peace with your
soul. *With all its sham, drudgery & broken dreams, it is still a beautiful world.
careful. Strive to be happy.

- "Desiderata" by Max Ehrmann

Do You Remember?

The day we set foot into the Jr. High, everyone was ready for us. The administration and faculty knew who we were. Our reputation gave us a feeling of pride and togetherness that never changed. Soon, the high school prepared itself, and the Jr. High sighed with relief.

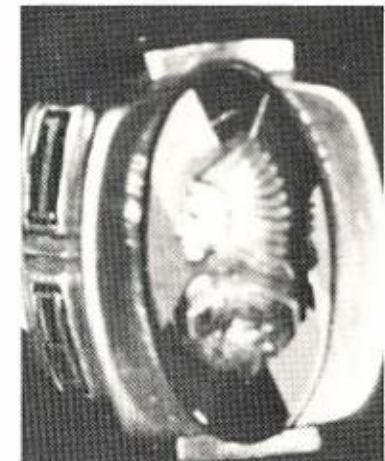

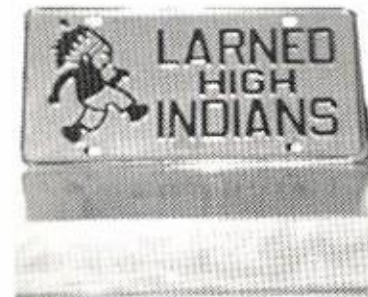

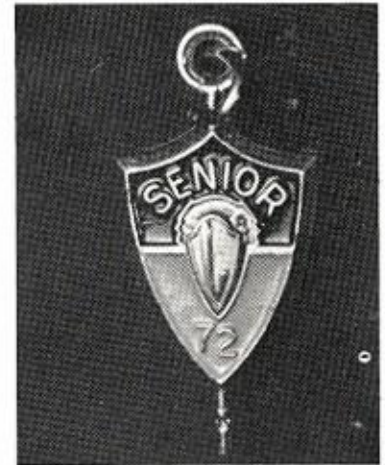

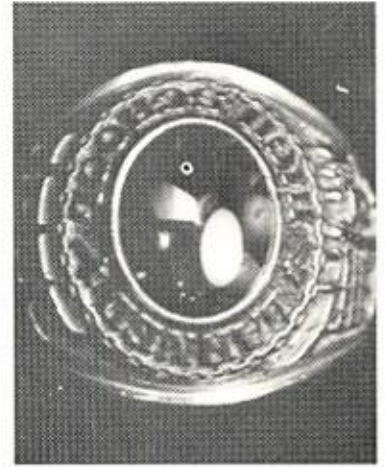

Confidence was the word that described the sophomores of 1970. We had confidence that we'd make it in high school, and the upperclassmen soon agreed. With the cry of "sophomore leadership", we elected Haynie, Grubbs, and Schartz as our class officers. Frazier led our confused but improving class yells. We helped the musical, "H.M.S. Pinafore", roll to success. It was fun being a sophomore, but we looked ahead to the next year.

Class projects were the bond that held the Juniors of '71 together. Urban, Olsen, and Loughrige led our class as Kirchgassner cheered us on. When we picked out our class rings, we were the center of the school--we belonged. The musical that year was "Bye, Bye Birdie", but THE event of the year was the Jr. Class play, "Professor, how could you?" With an urge to change tradition, we put on the best prom in LHS history.

Our Senior year was something special. Beginning with a change in school policy and a continuing change in the landscape, this year was filled with challenges. We challenged Urban, Fleske, and Olson to lead our class; Dawson was our class cheerleader. Our football season was a success as we clinched the district title and took second in regionals. Linda reigned as our football Homecoming queen. For the second year in a row, we captured the 1st place trophy from the St. John Invitational Basketball Tournament. Reigning over our Homecoming victory was Susan, our All-Winter Sports Queen. We selected our most talented, congenial, spirited, and "All-around" students, and crowned the Chieftan Royalty. One day near the end of January, we realized graduation was not so far away. The arrival of Senior keys, the selection of announcements, and the measuring for caps and gowns brought past memories and future dreams to most Seniors.

Yes, we're ready to leave L.H.S.!
We'll bid her halls adieu.
But we'll never forget,
And she'll never forget...

... The principal
noticed that all
the diplomas
were gone!

It was a typical day at LHS, only a week before graduation. When suddenly...

News of the theft quickly spread, and panic swept the land.

Who could be responsible for this terrible act? It must be the snickering figure lurking in the shadows.

A teacher's meeting was held to organize into search parties. The diplomas must be found, or the Seniors of '72 would not graduate.

The LHS resident scientist became busy with the search for clues.

The great minds of the school met to see if they could find the answer.

Every method available was used to gain information.

North, South, East, and West, in every nook and cranny--everyone looked everywhere for the missing items.

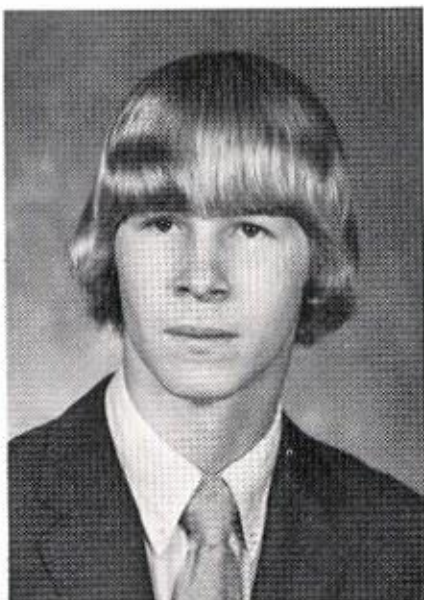

Finally, the diplomas were found, along with the thief, in a forgotten corner of the school.

The thief got his just reward. Just turn the page to find out who the brave heroes were that saved graduation at LHS.

ALL-AROUND GIRL AND BOY

Kathy Loughrige was a varsity Cheerleader, and played in the orchestra for two musicals, as well as in stage band. As a sophomore she was selected the Most Outstanding Girl Athlete.

Ed Haynie was an A-string football and basketball player for two years. He has been included in Ensemble and Chorus for three years.

MOST SPIRITED GIRL AND BOY

Mindy Reese was a Mascot as a Senior. She participated in two Musicals and the Junior Play, and was also active in Chorus during her Sophomore year.

Mike Schartz was a varsity football player in his Senior year, and was also Vice-President of Lettermans Club that same year.

A New Tradition

The election of Chieftan Royalty was conducted differently this year. In the place of the traditional crowning of a single couple, four different types of royalty were selected. The Most Talented girl and boy were chosen for their accomplishments in a specific area; the Most Congenial girl and boy were selected for friendly personalities; the Most Spirited girl and boy were chosen for their support and participation in school activities. The best combination of the previous characteristics resulted in the selection of the All-Around girl and boy.

MOST TALENTED GIRL AND BOY

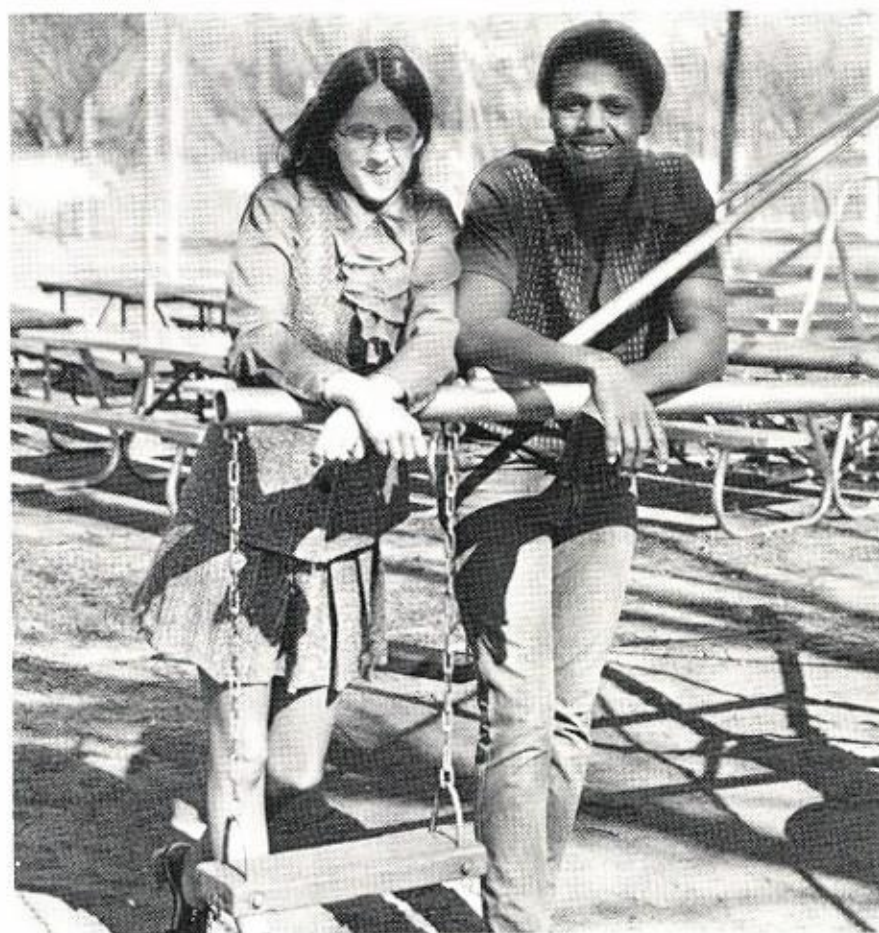

Peggy Simmons, was the 1971 drum Majorette. She was successful at Piano Contest and as an accompanist for Mixed Chorus. Peggy was on the girl's Tennis Team in her Junior and Senior years.

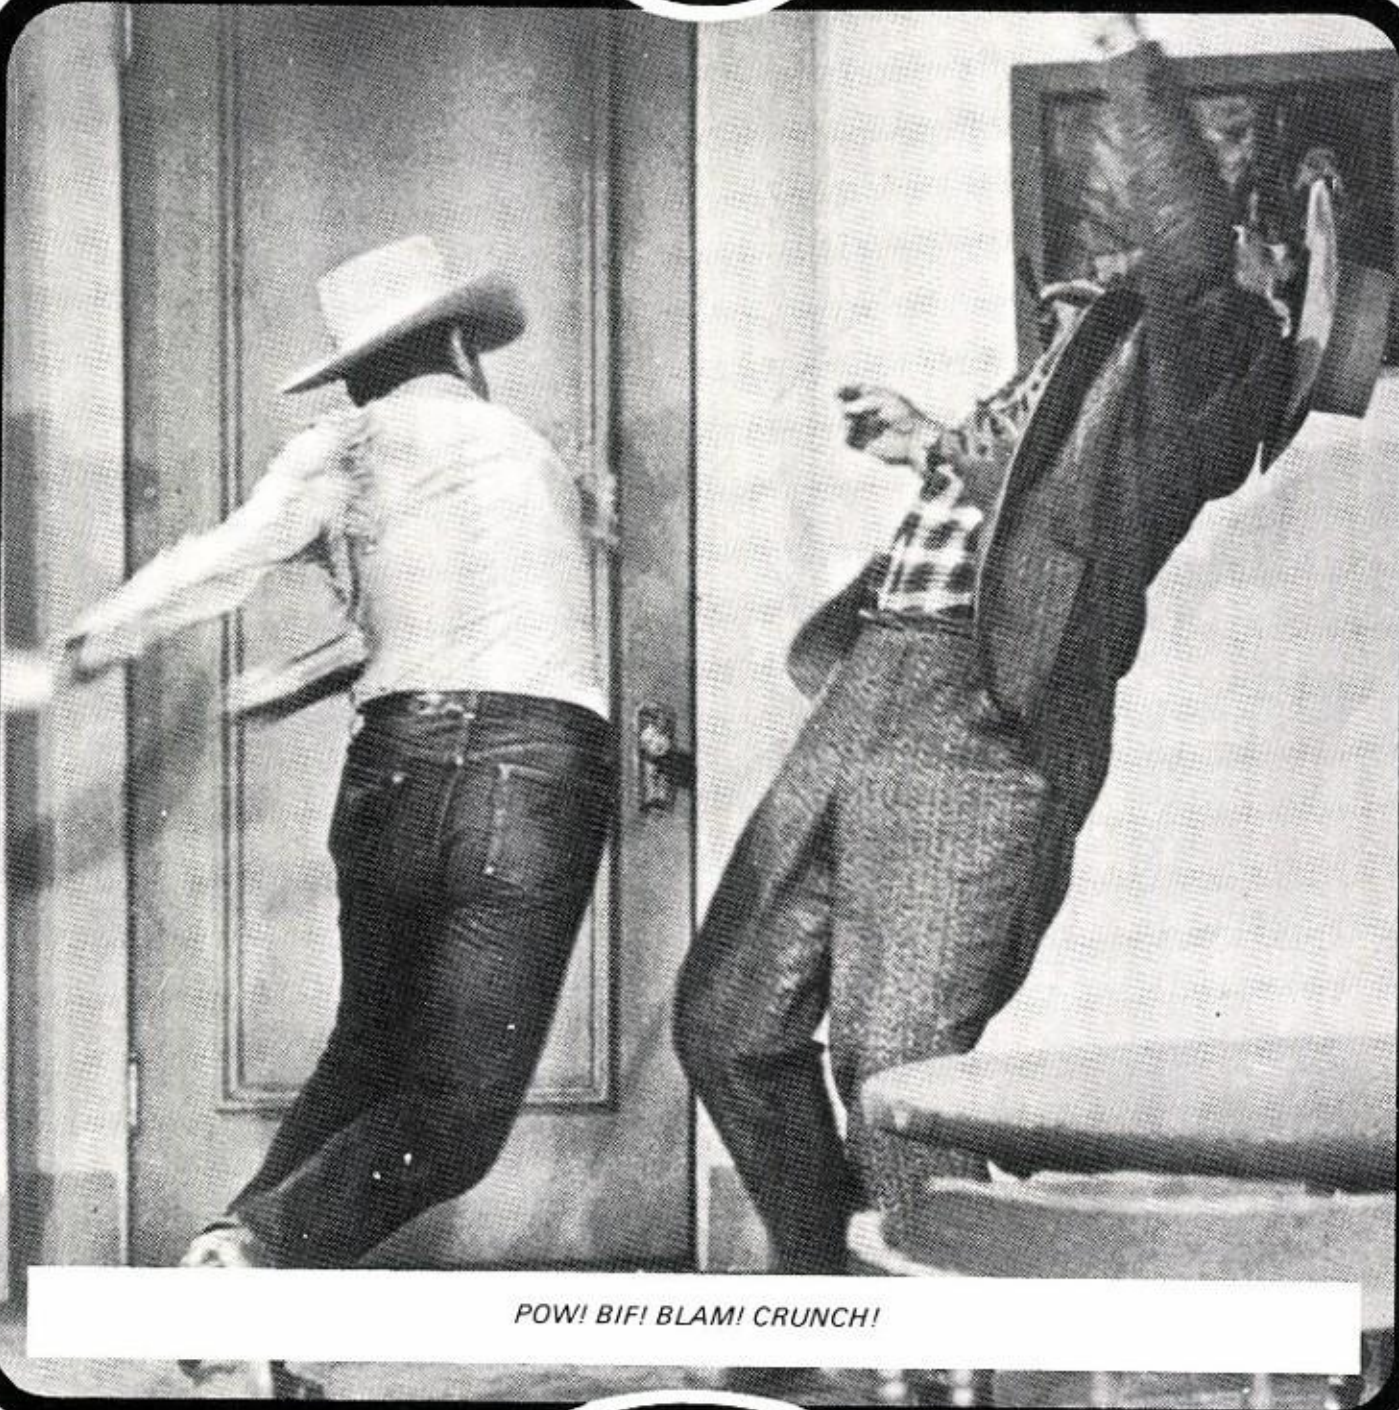

Tony Moore was a varsity football and basketball player. He also participated in Wrestling and was a member of STUCO during his Senior year.

MOST CONGENIAL GIRL AND BOY

Sue Vratil was an active member of Pep Club for three years. She also was a productive member of GAA for three years.

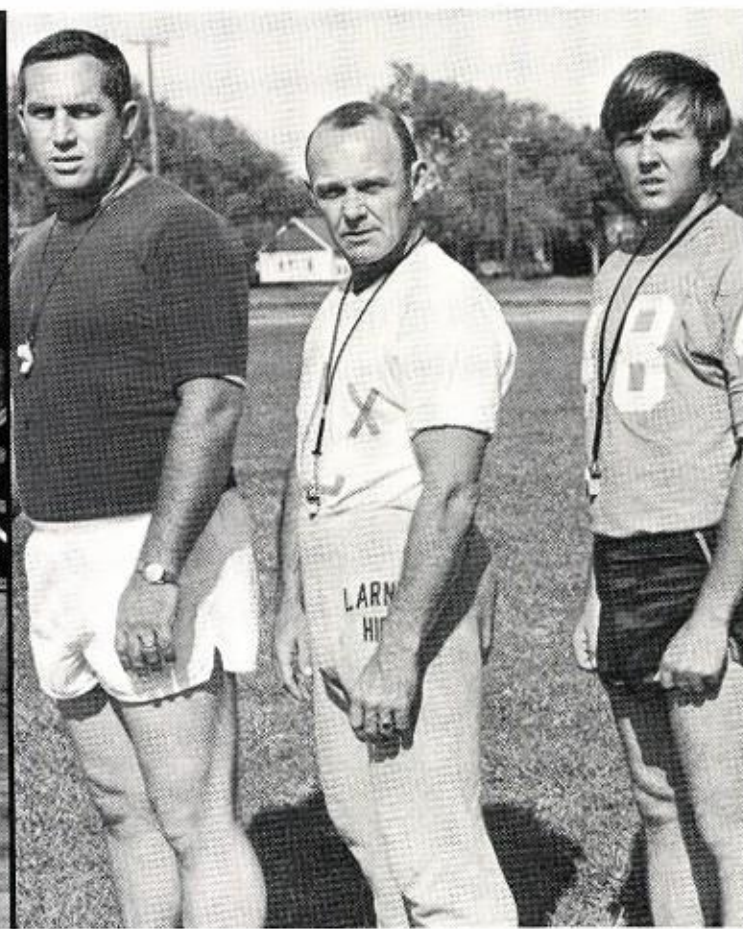

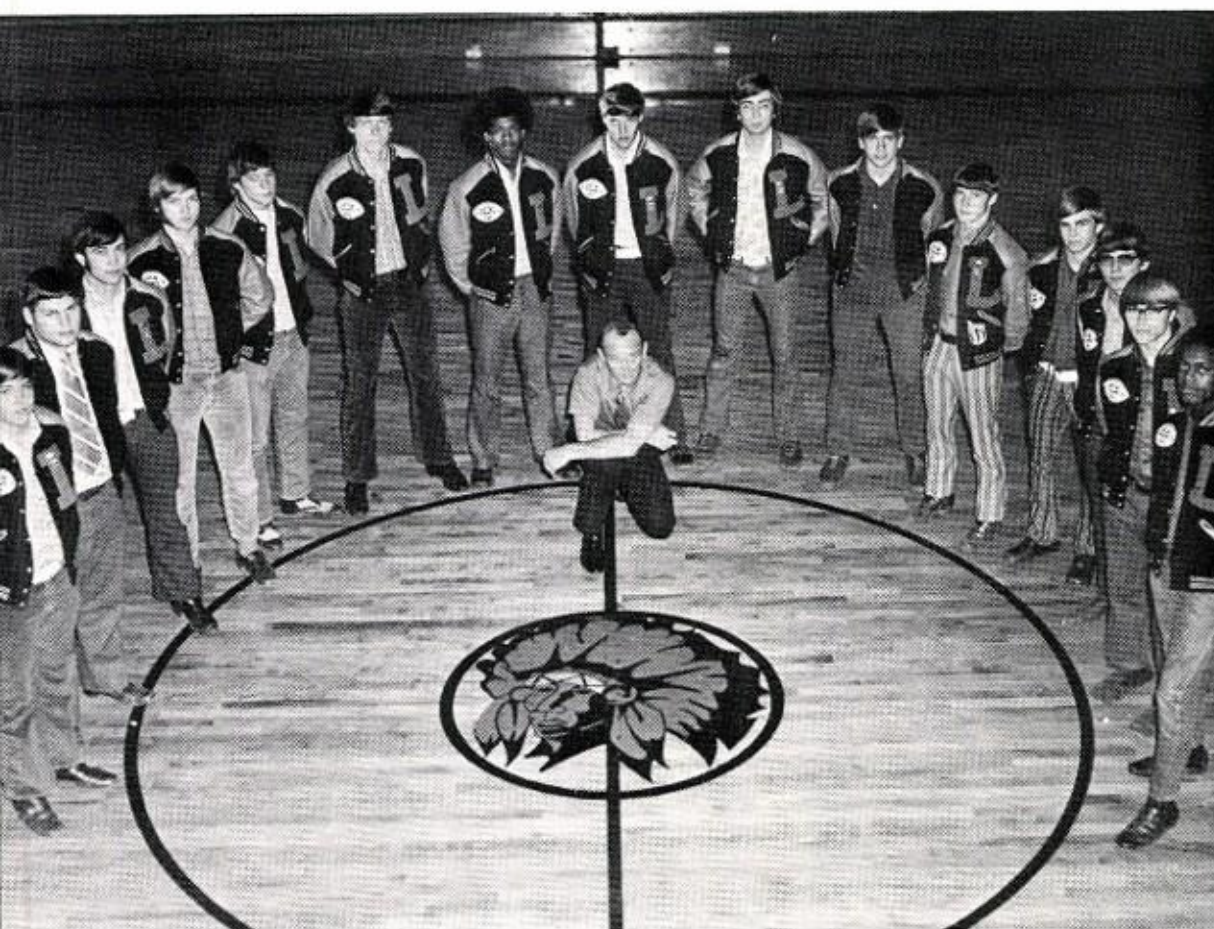

Greg Dawson was the class Cheerleader during his Senior year. He was active in Football, Wrestling, and Weight Lifting. He was a member of Chorus and Lettermans Club.

Larned 8 Lyons 0

The Larned Indians opened their season with a narrow but pride raising victory. The defense held, when the lack of polish in the offense wasn't there.

Dodge 35 Larned 0

Larned's loss to the Demons was a big let down, but the team's pride shown through and took defeat in stride. In this game, the weather played a large factor since the Indians didn't seem to be a webbed-footed football team. If we played again on dry land the results would be quite different.

Hays 21 Larned 12

The second disappointment came from the hands of the Hays Indians. After this loss the pride and status of the team was started in a down hill direction. But the Indians' will to win and have their own identity was so great that they were going to show everyone their capabilities.

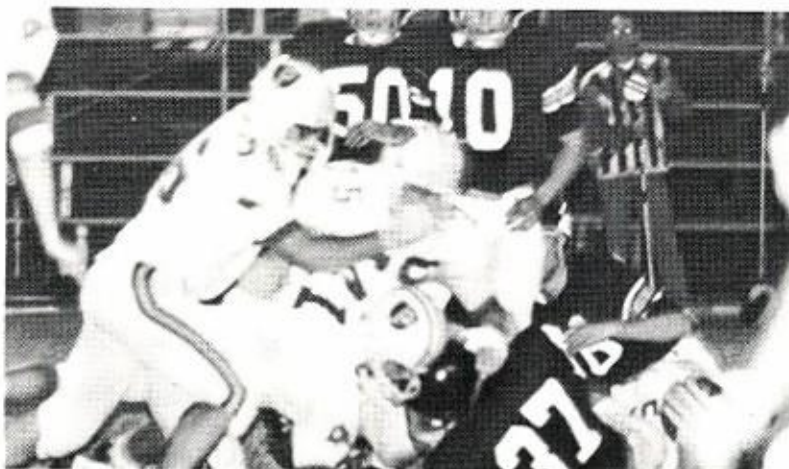

Larned 15 Pratt 6

The squad's mental toughness proved to be sincere as the Indians dominated all but one series of plays. The Greenbacks under the influence of a 3-0 record and a fourth rating in the state were shut off by the "Mofia" and run over by the "Big Machine."

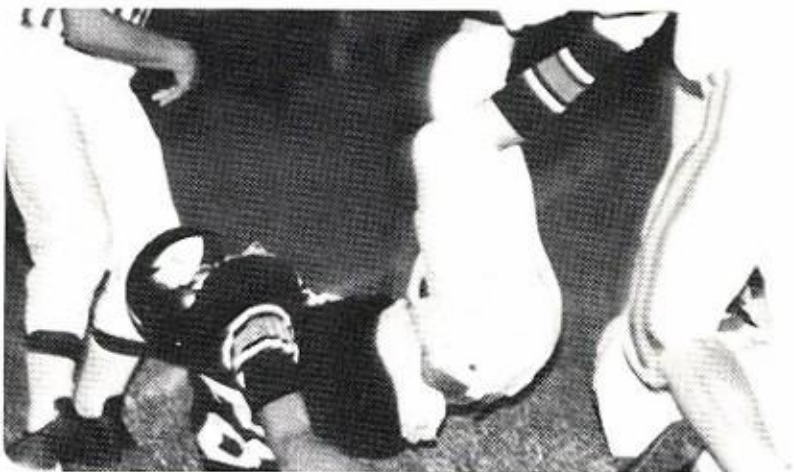

Larned 24 Russell 6

Again the Indians won a homecoming, and their mental toughness overcame that of size and brute strength. This was the most balanced game yet, as each the offense and defense scored twice. The Broncos' only score came late in the fourth quarter when the Indians' "A" team was sidelined.

Garden City 21 Larned 0

This contest was asking alot of the smaller Indians. The Indians quickness and toughness was surpassed by the Buffalo's great size and breaks again told the game's outcome.

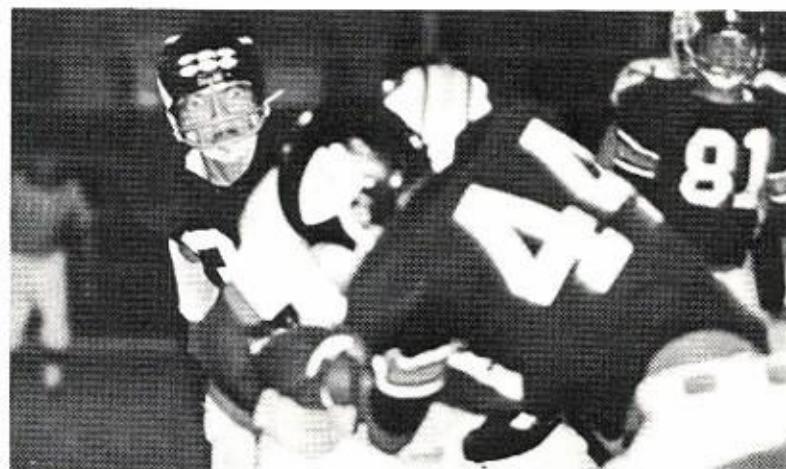

Phillipsburg 35 Larned 14

Phillipsburg handed Larned still another disappointment as the quickness of their line and backs wasn't expected and caught the Indians off guard. One can see the results.

Larned 18 Hoisington 13

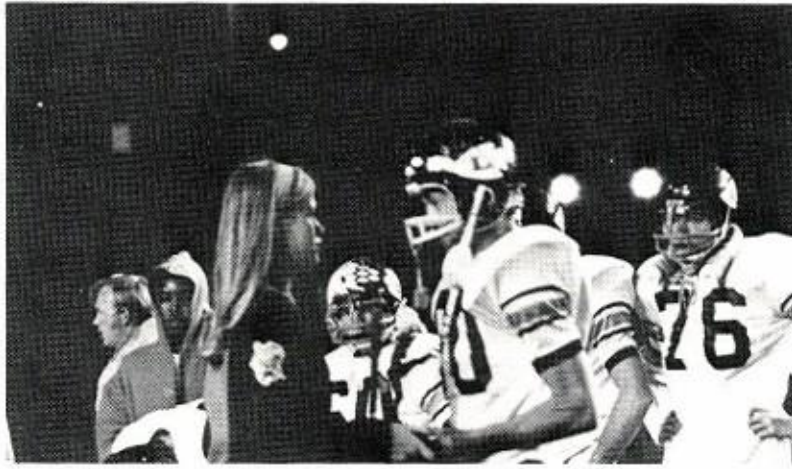

This contest was again a challenge for the smaller Indians. To win would mean a possible state play-off berth. The Indians went into the game with the attitude that "we've got to win," and that's just what they did.

Thus, the Indians concluded their regular season successfully with a 5 win 4 loss record and a state play-off berth.

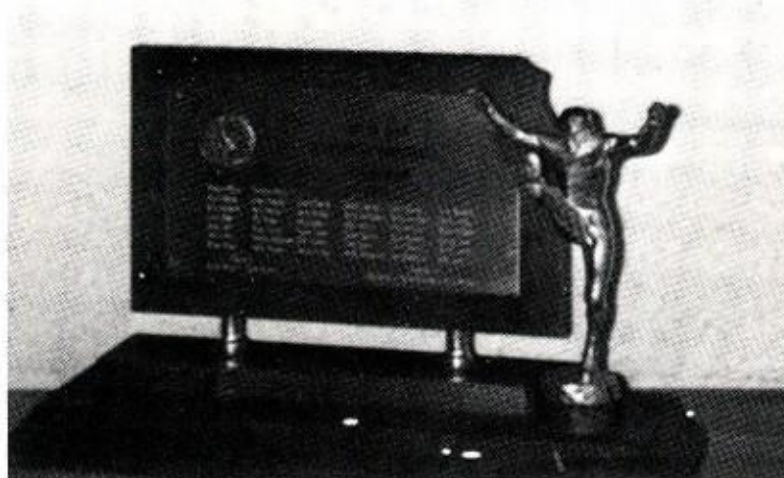

Larned 26 Great Bend 21

Discovered later a must, the battle of these two rivals had alot riding on it. If won, Dodge along with Larned made the play-offs. This was said to be the Indians greatest moments as the crowd would surely agree.

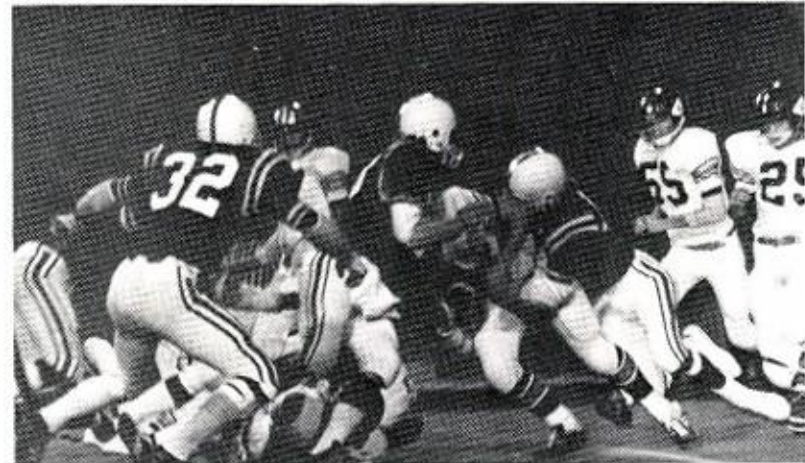

WICHITA KAPAUN 28 LARNED 14

The quickness of their line and the turf itself were the deciding factors in this contest. The Crusaders ran end sweeps that the smaller Indians just couldn't handle. Larned was still in the contest until late in the fourth quarter. Thus the Indians were guaranteed a tie for third in the State and a Regional runner-up spot.

LARNED 30 PRATT 28

Again the Indians won a battle which could have gone either way. After two overtimes, in a back and forth contest of will, the Indians emerged victorious. It was surely a game to remember.

71-72 Season Wrapup

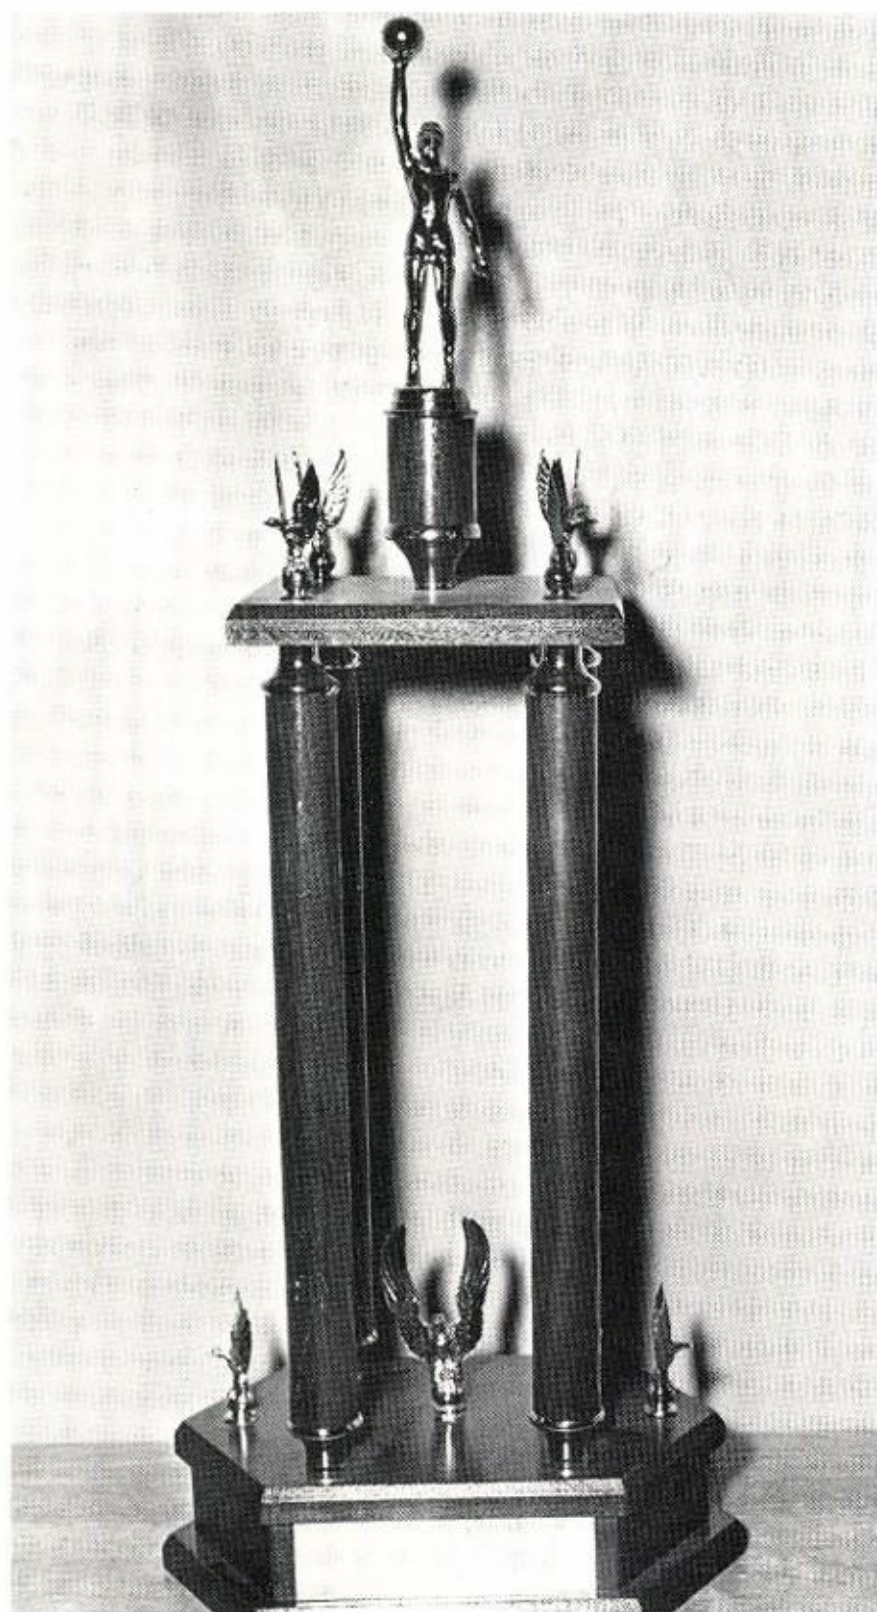

The 1971-72 basketball team was made up of 17 young men determined to do their very best under any circumstances, and never give up until that final buzzer. Because of this attitude, driven into them by Larned's two fine coaches, they put together a team that made their opponents shiver. Although many entertained thoughts that this inexperienced ball club wouldn't amount to much, Larned compiled a record that would match most any team around. One lone starter, matched up with four lettermen of little experience, made up the Indian's starting five. Marvin Webster and a new assistant, Les Wilson, combined talents and started the highly enthused round-ballers on the basics, gradually leading to the more complicated game. Tough practices on the game-winning aspect, defense, were continually emphasized. This seemed to pay off, as the Indians led the tough W.C.K.L. in defense, allowing each opponent only an average of 57.7 points per game.

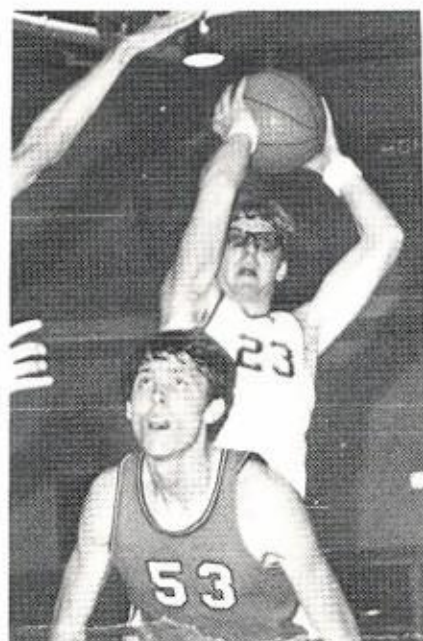

One of the many highlights of the past season, was a second consecutive first place finish at St. John's Invitational Tournament. Rated second, the Indians didn't make it to the finals as easy as thought. In the first round, a two point victory over Fairfield paved the way to the Pawnee County playoff with the Pawnee Heights Tigers. The holding of the Tigers to nine points at intermission, led the way to a twenty point scalp and a tremendous rise in Indian spirit.

The last half of the season saw Larned battling closely with the league leaders but with dismay. These few losses came in the first quarter, as the opponents built up bulky leads.

The Russell Regional was a first hand look at the new league Larned plans to enter during the 1973-74 season. The Indians played fine ball as they glided to the finals and attempted to overthrow the State ranked Monarchs of Thomas More Prep. It was a seesaw game added with much emotion, only to be decided late in the fourth quarter with three consecutive field goals by the opponents.

The Indians leave 15 victories against 7 defeats behind to encourage next year's team on to greater achievements.

THE NATIONAL HONOR SOCIETY

The National Honor Society is the most exclusive organization in the High School. In order to become a member, a student must possess three characteristics which the Honor Society holds in high esteem. These traits are Character, Scholarship, and Service.

Membership carries much prestige at Larned High School, but it also carries a large amount of responsibility. Once a student is initiated, he is not only obligated to display the characteristics for which he was chosen, but is also expected to improve himself and his surroundings.

Honor students are selected by a board consisting of the principal, counselor, and three teachers.

SOME OF THIS YEAR'S ACTION

The topic that the 1971-72 Debate Squad had to cope with was as follows:

Resolved: The Jury System in the United States should be significantly changed. Six of this season's debators were novices, but the rest of the squad were old hands at this type of rhetoric.

One of the highlights of this year's debate season was a trip to Dodge City where Larned's participation in their four-speaker tournament was rewarded by the attainment of a fourth place trophy. The team record at this tournament was 10-2.

The same four-speaker team, Zook-Morton, Vogt-Bowman, went to Regionals at Wakeeney. There they earned a 5-1 and 1-5 record.

The season record was 68-74.

Long hours of practice paid off for the Stage Band as they played for two engagements during the year, including the Beaux Arts Ball in February. Here, they are getting ready to travel to their next performance.

The Larned band played for many occasions. They include: a public concert in January, a clinic at Emporia, State music contest, a concert tour to Lawrence, and the annual Spring concert.

ΕΛΛΑΣ

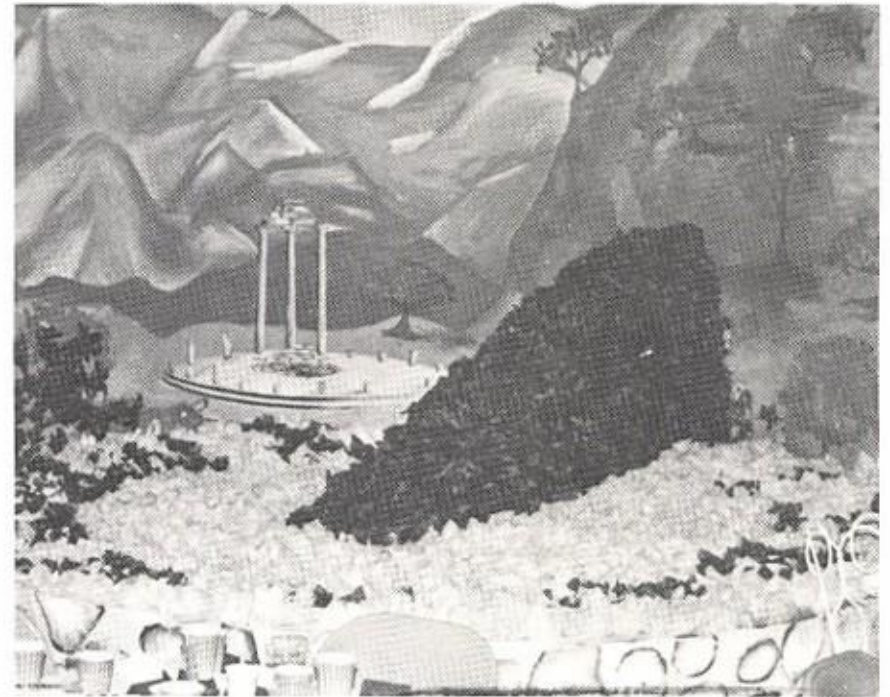

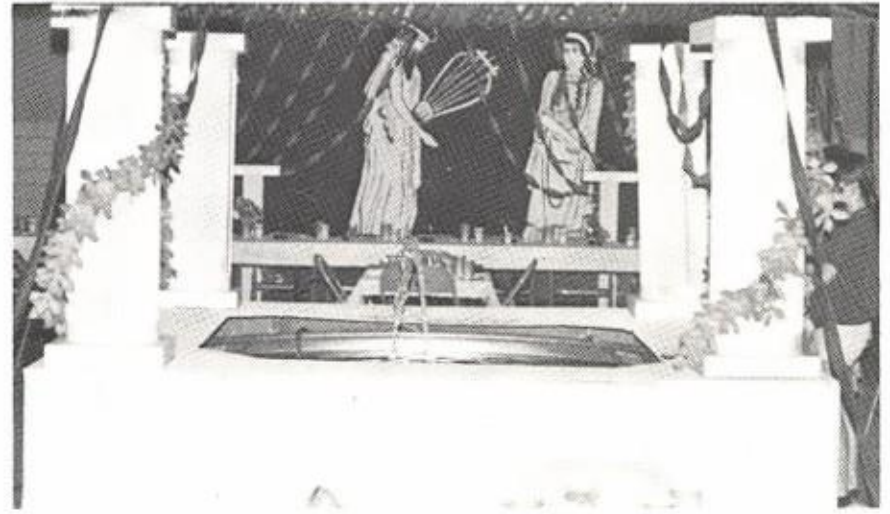

"Future ages will wonder at us as the present age wonders at us now."--

Pericles, 451 B. C.

Starting with the committees being selected and ending with the day-after clean-up, prom was the event that brought the Junior class of 1971 together. The problem of finance was taken care of by selling ballpoint pens, a raffle with scavenger hunt, a carnival, and the profits from the concession stand. For many months the center of activities was the Crane building. Finally, after tragedies and triumphs the National Guard Armory was decorated, the first time it had been used for this event. On May 15 the Juniors bid farewell to the Seniors with a turkey dinner which was followed by Dwight Young who spoke about morality. After the banquet, music was provided by "Autumn". Everyone who participated in any way shared the success of PROM 1971.

Ideas, plans, talents, work, problems, arguments, fun, enthusiasm - all contributed to the success of the 1971 Larned High School Junior-Senior Banquet and Prom.

Traveling to Kapaun of Wichita, the Larned High School marching band performed during the half of the Larned-Kapaun play-off game.

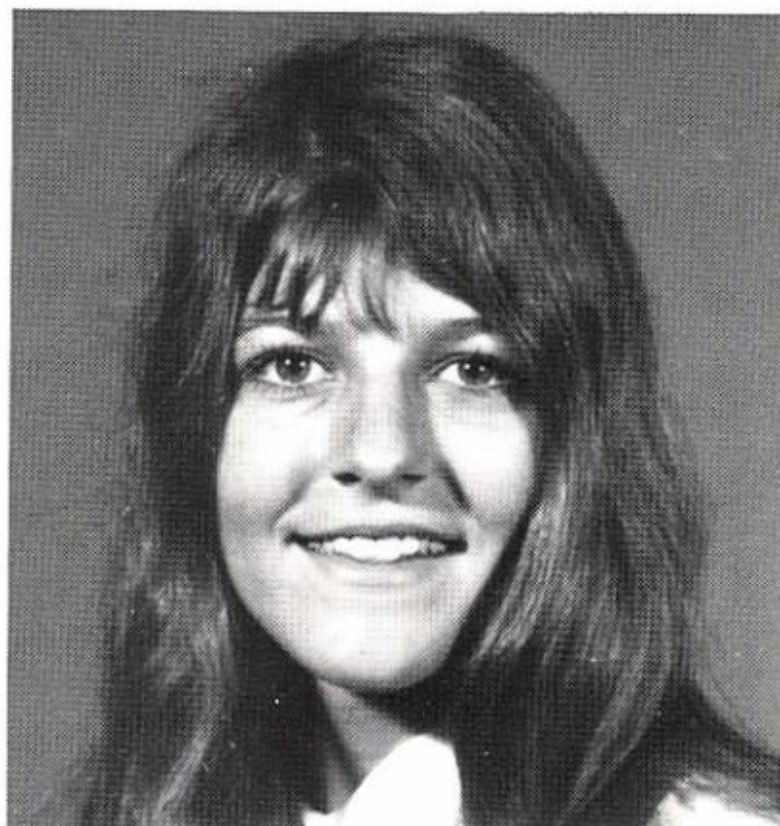

Married this school year were Mr. and Mrs. Schauner.

The third couple married were Mr. and Mrs. Jacob.

Also married this school year were Mr. and Mrs. Gaede.

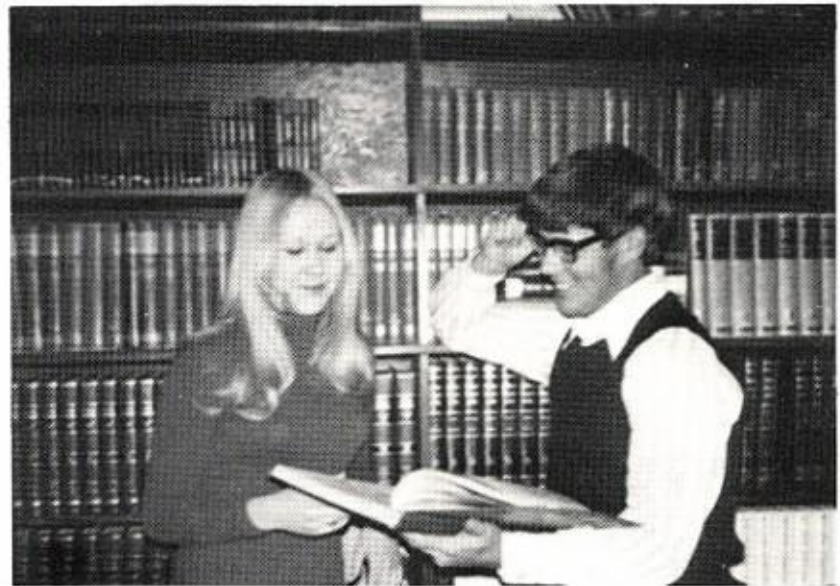

We would like to welcome Ruth Ann Deckert to Larned High.

Taking second at State this year were Janice Urban and Barbara Eggleston. Pictured with them is the tennis coach, Mr. Wilson.

Receiving the Outstanding Youth of the Year Award for their school and community are Carol Nauert and Mark Zook. This award is sponsored by the Larned Optimist Club.

Taking first in the local, second in the district, and fifth in the State is Norma Olson, winner of the Voice of Democracy contest, which is sponsored by the V.F.W.

We would like to say a special farewell to Mr. Curtis, the Larned Senior High principle, who will be leaving at the end of this year.

A black and white photograph of a field of wildflowers, likely daisies, in the foreground. In the background, there are several trees, including a large evergreen on the left and a smaller one in the center. The sky is bright and slightly hazy.

For everything there is a season, and a time for every matter under heaven.

A time to be born, and a time to die;

A time to plant, and a time to pluck up what is planted;

A time to kill, and a time to heal;

A time to breakdown, and a time to build up;

A time to weep, and a time to laugh;

A time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together;

A time to embrace, and a time to refrain from embracing;

A time to seek, and a time to lose;

A time to keep, and a time to cast away;

A time to rend, and a time to sew;

A time to keep silence, and a time to speak;

A time to love, and a time to hate;

A time for war, and a time for peace.

Phil Busenbark
Oct. 19, 1956-
June 15, 1971

Man's life is like a web of time
To a weaver's loom is like,
While the weaver weaves and the shuttle flies
Till the day is over.

Some shuttles are filled with silver threads
And some with threads of gold,
While one shuttle makes the dark
And all that this world holds.

But the weaver weaves with skillful eye
Each shuttle fly to and fro,
And sees the pattern so deftly wrought
As the loom moves sure and slow.

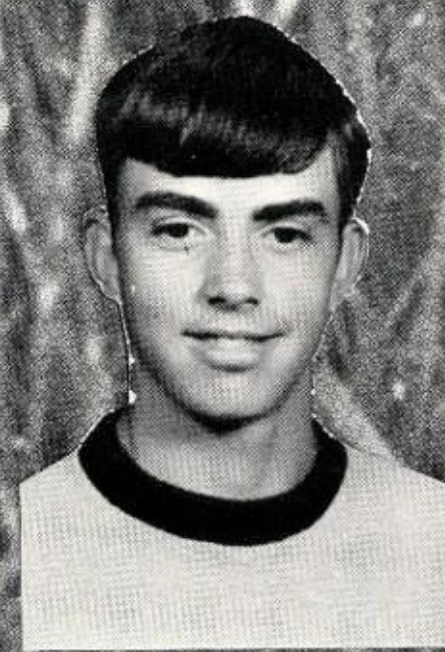

God surely planned the pattern
Each thread, the dark and fair,
Is chosen by His master skill
And placed in the web with care.

He only knows its beauty,
And guides the shuttles which hold
The threads so unattractive,
As well as the threads of gold.

Not till each loom is silent,
And the shuttles cease to fly,
Shall God reveal the pattern
And explain the reason why.

The dark threads were as needful
In the weaver's skillful hand
As the threads of gold and silver
For the pattern which He planned.

To a real cool (really)
guy. Pretty smart too.
I'd like to say it has been
a real pleasure to sit
in your neighborhood in
English. Hear something
new every day! Especially
from Sabrina. Also, I'd like
to compliment you on
your 'Home to Mother' &
Prom entertainment. They
were really great. And
that's the truth. Keep
up the good work and
stay out of trouble (i.e.
that means beer parties too ^{haha})

"After we sell — We service"

Ron,

Well, here we are!

I have really had a lot of fun knowing you. Pop Band, Brass choir, all our band trips, Drama Club, and the Jr. Class Play. The experience of working with you in "Here We Are", "Home to Mother", and the Play was something I learned from, and really enjoyed. You have so much talent to put to use - good luck.

(Remember when we went in downtown Garden City at the speech tourney? I had never hitchhiked before!)
